I am very honoured and privileged to be surrounded by the CREATIVE ABI's IICs. They are experienced, talented and great achievers. Significantly the CREATIVE ABI's 6 Principles resonate with IICs' past and current lives. I predict they will live it also in the future.

Eugenie wrote, "Participating in ABI's activities I can say that the 6 principles: **Build; Engage; Transparent; Honest; Integrate** and **Safe**, always have been part of my life". Bikkel wrote, "Participating in ABI's activities the 6 principles "*Build; Engage; Transparent; Honest; Integrate* and *Safe*" always have been part of my life". From Aune, "When thinking of the course of my life and looking back at its beginning, I am deeply grateful for everything and appreciate the chance to participate, still now, in the activities of CREATIVE ABI, a community which acts in the spirit of the values that I have appreciated all my life".

I thank God for my parents, particularly my mother. They were God-fearing, very generous and they always gave to others. My success in life reflects the resilience I have inherited from my parents as well as the discipline I experienced in the Boarding House of the CMS Grammar School, [Bariga](#), Lagos, the oldest Grammar School in Nigeria.

I have developed *the S.T.E.P. DNA: 4Ds for Sustainable Performance* (2015), an evidence based overarching 4 Main Leadership Habits for Sustained Success. This model, an efficient management of change and effective leadership of people, is based on the Collaborative Inquiry research methodology. It represents a sophisticated version and development of the LEADLAP MODEL (LEADLAP - Leadership Learning and Action Process).
