I acknowledge and declare my personal commitment to CREATIVE ABI's six Principles of Good Practice. I confirm to participate in CREATIVE ABI's activities based on these 6 Principles.

I am a graduate professional educator with over 25 years' experience and a focussed interest in the Arts, Language and Theatre. I was educated at three of the UK's top universities – *Bristol, Newcastle and Southampton Universities*.

Generally, I have an above average information communication and technology capability. As an appointed President of the UK National Committee (UK NC) of the World Art Games (WAG), I bring relevant problem solving and team working skills as well as the readiness to fit into a global organisation and work with artists and people of different culture. My multi- language capabilities (English, Italian, Spanish and German) will be an asset to WAG and contribute significantly to achieve WAG's global objectives and aspirations.

Specifically, while I was a Lecturer at the Richard Huish College, Taunton, UK I learnt the importance of strategic forward planning, running an efficient organisation, student support, and leadership for high quality performance. Throughout my teaching career I have achieved 100% pass rate from my students. I was also able, via my position as Arts Co-ordinator, to promote a programme of music, dance, film and cultural visits nationally and internationally. I have always been interested in helping young people to achieve their full potential and also concerned to give them a good experience of all the arts, which have given me so much pleasure.
