## **ANNUAL REPORT FOR 2014**

### **Sumgait, January 25 th, 2015**

Year 2014 was not very rich with events and activities for WAG NC OF AZERBAIJAN. But as a president of NC I had several meetings with important people from the sphere of culture and public activities. The main purpose of the meeting was to introduce them with the idea and mission of the organization WAG. Some time was devoted to the registration of the organization in the Ministry of Justice of Azerbaijan . This process is still continues.

During that year there were meetings with artists and art figures. Among them there were the famous and young artists. There were discussions and exchange of ideas about WAG at the meeting. They were attracted to participate in the festival which will be held in 2015 in Slovakia.

NC Azerbaijan has made a small project in the famous school of art in the city Sumgait. Young artists task was to paint logo of NC Azerbaijan. The young artists approached this idea with great interest and enthusiasm.

During the period our activities, we will consider new members for NC... More active and honest.

NC Azerbaijan has paid an annual fee in the amount 50 euro for 2014.

Sincerely :

**President of the WAG NC AZERBAIJAN**
